

Ageless Zen Autoship Terms and Conditions

By selecting the option "Autoship" and agreeing to the associated terms on the agelesszen.com (or distributors' replicated websites) product details or checkout page, you agree to accept these terms and conditions ("Terms") for our Autoship subscription ordering program. The Terms comprise the entire agreement between you and Ageless Zen Inc. (and, with respect Ageless Zen products) relating to Autoship program. By placing an order and enrolling in our Autoship program, you accept these terms, conditions, limitations, and requirements. Please read these Terms carefully.

Advantages

When you purchase product(s) on agelesszen.com (or its distributors' replicated websites) and enroll in our Autoship program, you are signing up for continuous shipments of such products and may select how often (from the available options) you would like your product(s) delivered to you (Minimum 3 Months). You may change your periodic delivery schedule at any time as well as your shipping address, payment method, and products included in the program. Additionally, when you purchase certain products designated as "Autoship" eligible, and enroll in the Autoship program for such products, you will save an additional percentage on regular prices set for the 'type' of users.

You can save more by enrolling for Ageless Zen Environmental Recycle Program. With this program, Ageless Zen will send you the enrolled product with complete packaging and refills afterward on each scheduled order. You must return, the bottles and refills at the completion of Autoship span.

Ageless Zen reserves the right to change Autoship or Environmental Recycle Program benefits at any time in its sole discretion, including discount amounts or special pricings and eligibility used to determine discount amounts; provided, however, Ageless Zen will not change the price of your next shipment once you have authorized an order as set forth in these Terms. Some of the offer details may change as you receive deliveries over time (for example, price, taxes, availability, shipping charges). Subscriptions are good while supplies last.

Order Changes or Cancellation

When you place your preliminary order for a product and enroll in our Autoship program, you will receive a notice that your Autoship subscription has been created and your first order will be processed. Your Autoship enrollment will automatically create a new order according to your chosen delivery schedule, until you cancel.

For following orders of products included in Autoship, up to 72 hours prior to the ship date selected by you, you will receive a pre-shipment email notification reminding you of your upcoming shipment, the period available to make changes to your order and the scheduled ship date. You can request changes in your order's details during the period beginning upon receipt of such email notification and ending 12:00 AM the day preceding your designated ship date (i.e., the day prior to your ship date). If you do not cancel the order before the day prior to your ship

date, your order will be authorized, and a credit card authorization hold will be placed on the payment method used to create your subscription or updated payment method you may provide. You will see a pending charge during this time as we prepare your order. There is no need to call or update any information online when you see this pending charge.

Payment Authorizations and Charges

When you enroll for Autoship, you will be required to expressly agree to authorize us to charge your chosen payment method on a recurring basis, as well as the amount of the charge. Ageless Zen will submit recurring charges to your chosen payment method without further authorization from you, until you provide prior notice at any time that you wish to cancel or to change your payment method. Approximately 36 hours prior to your designated ship date, your order will be authorized, and a payment authorization hold will be placed on your chosen payment method. Once your order is processed, your payment method will be charged for the authorized amount. (Please note that holding amount could be different than the actual/ultimate charge).

Pricing, Renewal, Cancellation of Enrollment

Once your order has shipped, your chosen credit card or other payment method will be billed this amount. You will not be charged until your order ships. The total cost charged to your payment method for each Autoship order will be the price of the item, less the Autoship or Ageless Zen Environmental Recycle Program percentage (if applicable) plus any applicable shipping charges and sales tax.

If we are unable to complete your Autoship order with the payment method you used to create your subscription, we will notify you and give you the opportunity to add another payment method in your account and to charge the payment method for your Autoship order.

Ageless Zen Autoship or Environmental Recycle programs are non-transferable.

Your subscription will remain in effect until it is cancelled. You can cancel by contacting AZ Customer Service at +1775-850-5112 or email at az@agelesszen.com
